

SOUTH CHESHIRE COLLECTORS CAR CLUB

Chairman and main contact: Russ Teggin, telephone 01270 250107

Formed in the 1980s by a group of local classic car enthusiasts, the club holds regular monthly meetings at The Elephant pub, on Newcastle Road in Shavington, usually the last Monday in the month at around 8.30pm. The club attends local classic car shows, and other social events including informal quiz nights and road runs are regular highlights of the year.

Club members have a wide range of vehicles ranging from the very old to quite modern “classics-to-be”. Everyone is welcome, whether you own a classic vehicle or are an enthusiast. A regular newsletter keeps members informed of future events.

Joining the club costs only £12, reducing to £10 for renewals. To join the club, either complete and return the tear-off slip to the address shown, or come to a pub meeting and see us there.
